The town Bobby lives in is a grey cluster of houses trapped against the sea by a half-ring of factories. Over the horizon, a war is raging. Any day now it may sweep over the town and crush it. And Bobby has fallen in love.

The Boy with Nails for Eyes is a dystopian fantasy graphic novel. The book, the first in a three-volume series, was long-listed for the Myriad First Graphic Novel Competition in 2018.

> “Mixes the nightmarish world of Guillermo Del Toro with the elaborate world building of Neil Gaiman and the artwork of Shaun Tan or Dave McKean.”
